

# FIRE AND SAFETY PRODUCTS

## FIRE EXTINGUISHERS

To protect lives and property portable fire extinguishers are required. As your service provider, we inspect, service and maintain your extinguishers so when the need arises, you can be confident that they will protect you from fire. Fox Valley Fire & Safety is a distributor of quality Ansul fire extinguishers. Whether you need one, or a hundred - inspected, serviced or recharged, we offer fast, reliable service.

## RESTAURANT COMMERCIAL COOKING SYSTEMS

The protection of your customers, your employees and your business is very important to us. You can rely on Fox Valley Fire & Safety and our expertise in kitchen hood fire suppression systems. As an Ansul, Kidde, Pyro-Chem and Amerex distributor you can count on us to design, install, certify, service and repair systems of all major manufacturers, 7 days a week, 24 hours a day. With Fox Valley Fire & Safety on the job you can rest assured that in the event of a fire, your system offers maximum protection to save lives and property.

## EMERGENCY AND EXIT LIGHTING

When the power goes out do your emergency and exit lights go on? Do they stay on the required 90-minutes to allow for safe exit from the building? During a power outage is NOT the time to find out.

## ON-SITE FIRE SAFETY TRAINING

Hands on training in the proper use of portable fire extinguishers helps insure that when an emergency arises, your employees are trained to respond. Fire training provides peace of mind that in the event of a fire, everyone knows what to do to safely protect lives and property. Fox Valley Fire & Safety offers training tailored to your specific needs and to provide the first line of defense. Regardless of the number of employees (5 - 500) whether you require a mini-training session or a major training demonstration, your employees will gain the confidence they need to safely protect lives in the event of a fire.
